KERB WEIGHT - The weight of the vehicle including a full tank of fuel and all standard and optional equipment. It does not include the weight of the driver, any passengers or cargo.
GVM - Gross Vehicle Mass - The maximum permitted mass of the vehicle including the driver, passengers, fluids and the load.
PAYLOAD - The capacity in terms of weight that a vehicle is able to carry. It does not include the weight of the vehicle itself. The payload stated above is the gross payload not including the driver.
MIRO - Mass in Running Order - The total weight of a vehicle when it is empty and ready to be used on the road without carrying any passengers, goods or other items. It does include the driver and all the standard equipment.
GTM - Gross Train Mass - The combined weight of the vehicle, trailer and payload.
*The CO_2 values provided are applicable to standard configurations. Please be advised that the addition of optional features may result in an increase in the final CO2 value or, in some cases, the VRT may change.

Ford Pro Services

Ford Pro Service	Description	Cost	Additional Information
Ford Pro Telematics Essentials	Maximise fleet uptime through accessing key vehicle health data using a simple web-based dashboard: Vehicle Health Alerts – Vehicle Data or User Generated Connects vehicles to FORDLiive (Connected Uptime System) Service, Maintenance & Repair Booking (direct with Ford Authorised Repairer network)	FREE (€0.00)	Activate an account here: https://fleetaccount.ford.com/customer-signup
Ford Pro Telematics	Maximise uptime, efficiency, reduce running costs and support the switch to EV's (Ford and non-Ford*): Vehicle Health Alerts – Vehicle Data or User Generated Connects vehicles to FORDLiive (Connected Uptime System) Service, Maintenance & Repair Booking (direct with Ford Authorised Repairer network) Live Tracking with vehicle status Location & Trip History Fuel Insights Driver Behaviour & In-Vehicle Coaching Vehicle Security Driver App to support daily vehicle checks and report issues Logbook for expense reimbursement and tax compliance *PID required for non-Ford vehicles & older Ford vehicles; newer Ford vehicles use manufacturer grade data direct from vehicle embedded modem	€18.00 per month, per vehicle	Create your Ford Fleet Marketplace Account and Activate your 12 month E-Telematics free trial here: https://fleetaccount.ford.com/customer-signup
Ford Pro E-Telematics	Additional functionality to support electric vehicles: Charging Insights Live Range Remote Preconditioning Scheduling Home Charging reimbursement	FREE for 12 months from warranty start then €18.00 per month, per vehicle	
Public Charge Management	Easy access to over 600,000 charge points across Europe (1,700 in Ireland). The BlueOval Charging Network (BOCN) is one of the largest aggregated charging networks in Europe. Includes: One monthly bill for easy fleet management of charging events Easy to start charge event RFID Fob Plug & Charge In-Vehicle App – Ford Charge Assist Fraud management	FREE for business customers via Ford Pro. FREE for 12 months from warranty start then €2.99 per month, per vehicle for retail customers via FordPass	Ford Pro Public Charge Management is free for 12 months from warranty start date on E-Transit Custom For any questions please email : evcharge@ford.com
Connected Navigation	Cloud connected navigation helps customer to optimize their route and provide them key information throughout their journey : OTA Map updates Live Traffic Live Fuel prices Live Weather Parking Local hazard alerts indicates hazard type & distance of hazard	FREE for 12 months from warranty start then €3.00 per month, per vehicle.	Connected Nav is free on ICE and E-Transit Custom for 12 months for all capable vehicles. Vehicle must be Nav capable For any questions please email : softwaresolutions@fordpro.com
FORDLiive	All new Ford Pro vehicles include FORDLiive*, a complimentary connected uptime service which helps keep your vehicles operational and on the road. With FORDLiive, eligible customers can maximise uptime by viewing vehicle health information through FordPass, Ford Telematics or Ford Telematics Essentials and in parallel our Transit Service Dealers can use the same smart information to more effectively support vehicle uptime. And we do not stop there. Ford uses connected vehicle health data to monitor vehicle health trends to look for and find ways to improve our products, helping to maximise uptime for our customers.	FREE (€0.00)	Activated from vehicle delivery for eligible customers and vehicles, FORDLiive uses limited connected vehicle data. Automatic activation from delivery for eligible fleet/business customers on Transit Custom purchased from 17/06/24. Excludes retail private owners, converted vehicles, government and blue light vehicles, and leasing companies with private operators. For further details please contact your nearest Ford Pro representative. FORDLiive can be cancelled at any time.

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit **www.ford-accessories.ie**

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.
Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.
Fitment of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

Tourneo Custom Pricelist

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 23%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices. This price list is effective from 15th July 2026, and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves it right is reserved to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design / features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.
Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
