KERB WEIGHT - The weight of the vehicle including a full tank of fuel and all standard and optional equipment. It does not include the weight of the driver, any passengers or cargo.
GVM - Gross Vehicle Mass - The maximum permitted mass of the vehicle including the driver, passengers, fluids and the load.
PAYLOAD - The capacity in terms of weight that a vehicle is able to carry. It does not include the weight of the vehicle itself. The payload stated above is the gross payload not including the driver.
MIRO - Mass in Running Order - The total weight of a vehicle when it is empty and ready to be used on the road without carrying any passengers, goods or other items. It does include the driver and all the standard equipment.
GTM - Gross Train Mass - The combined weight of the vehicle, trailer and payload.
*The CO_2 values provided are applicable to standard configurations. Please be advised that the addition of optional features may result in an increase in the final CO2 value or, in some cases, the VRT may change.

You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves it right is reserved to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.
Some images portrayed are of a pre-production model and/or are computer generated, therefore the design / features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.
Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
